DIVISION IV—THE HIGH SCHOOL

No daily readings have been selected for the High School (Grades X-XII). Students on this level are accustomed to making choices for themselves. It is suggested:

(1) That a committee of students named for that purpose outline the readings for a stated period.

(2) That each student be given a date or dates on which he will be responsible for the selection to be read on that day.

(3) That certain books of the Bible be read in their entirety.

(4) That selections such as those numbered 156-182 of Division II be re-read.
